

This document contains
Hospital Passport
for

Laura Jones

Date of birth: 01/01/2004

This book contains important information about me and helps people make sure I get the best care.

If I have to go to hospital this book needs to go with me and needs to hang on the end of my bed and a copy should be put in my notes.

Introducing Me

**My name is:**

Laura Angie Jones.

I like to be called:

Luby Lu.

My birthday is:

1st January 2004.

NHS-231456

Risk of choking

Eating risks:

Current medication

- Epilim, 125 mcg, by mouth

My medical History & treatment plan

Allergies:

- Penicillin

How this impacts me:

rash and nausea

What to do:

I take piriton but mainly avoid it.

I have:

Cerebral Palsy

How it impacts me:

Effects my mobility mainly

I can have seizures / fits / blackouts

- **Seizure type:**

non-convulsive

Triggers:

cold, missing sleep, menstruation

I have:

Painful shoulders due to wheel chair use.

Behaviour

Behaviour I might display when I'm happy:

I'm generally cheerful. Laugh a lot and talk a lot

Behaviour I might display when I'm unhappy / angry:

I get quieter.

What to do to manage my behaviour safely and quickly:

I may need time out if I get really angry.

How to communicate with me

Things you shouldn't do:

Do not talk down to me or about me as if I'm not there.

If I don't understand I will:

I will tell you if I don't understand or I may become very quiet which is unusual for me and usually means I'm confused.

How I take medication

- **Name:**
Epilim

How you know I'm in pain

Mobility

Risks:

Not taking part in activities because I'm judged as not able

What I do for myself:

Transfer from bed to wheel chair on a good day but on a bad day I might need a hoist.

I need help with:

Moving around new areas

Please give me choices about:

How I move around, which wheel chair to use, if I want to stand

Particularly like:

Going out by myself in my electric chair

Particularly like:

Having someone with me all the time

Equipment I use:

Wheelchair electric, Postural support aid, Riser/recliner chair, Hoist, Stair lift, Stand Aid
